Homecoming 2003

Homecoming Week was really fun this year. The only thing I would change would be that the sophomores would have won at least one of the contests and we win the football game.

Jacque Smelcer

I think Homecoming Week had a very good turn out. The only part that spoiled the week for me was the game.

I enjoyed Homecoming Week partly because of all the class we got to miss and after school activities where you got to spend more time with your classmates was also great.

Homecoming Week provided for a lot of memories. I don't know what was more fun, the lunch time activities or the shaving cream and waterballoon fights. I was especially proud of the Senior Class for winning the Spirit Stick.

VHS Shows Its Patriotism

Ms.Dotson's Send-off

Left: Mrs. Dotson is reading one of the many cards from students & teachers wishing her the best. Below: Nichole, Ms. Dotson, & Casey admire the gift given to her by the office staff.

On Tuesday, January 28th, Capt. Erika Dotson, of the Army Reserves was called to active duty. Teachers and students decided they should give Capt. Dotson the proper send-off. They gathered on the front steps of school to tell her good-bye and then the teachers gave her a little going-away party in the library. Everyone was given a yellow ribbon to show support to our librarian.

On September 11, 2002, President Bush declared the day as National Patriotic Day. At VHS, we remembered those who lost their lives the previos year during the terrorist attack. Students and faculty also thanked people in our community who are currently in the military, who once served, and local firefighters, paramedics, & police officers.

The Columbia

On Saturday, February 1, 2003, Mission Control in Houston, Texas lost contact with the space shuttle Columbia on its return to earth. The World soon learned that the shuttle was breaking into pieces over Texas & Louisiana and none of the crew survived. As the nation grieved, NASA worked to find the problem while consoling the family members of the crew.

AMERICAN PRIDE

On board was a crew of seven: Colonel Rick Husband; Lt. Colonel Michael Anderson; Commander Laurel Clark; Captain David Brown; Commander William McCool; Dr. Kalpana Chawla; and Ilan Ramon, a Colonel in the Israeli Air Force.

"In the skies today we saw destruction and tragedy. Yet farther than we can see there is comfort and hope. In the words of the prophet Isaiah, "Lift your eyes and look to the heavens. Who created all these? He who brings out the starry hosts one by one and calls them each by name. Because of His great power and mighty strength, not one of them is missing."

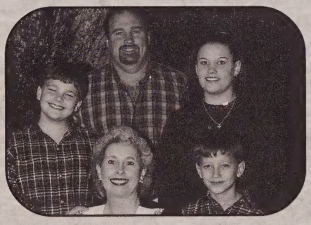
We are so blessed to have you as our daughter, grandaughter, sister, niece, cousin, friend, and as a member of our church family at Live Oak Baptist. Your love and concern for others is evident by your actions. Let Jesus continue to guide you on your journey through life. We love you so much!



Just remember she was always coming home with us "next weekend", it was always "2 clock" and we took Dabu to a football game.

A ray of sunshine, that is what you are. You radiate light, wherever you go. Always smiling, always bright, with such a warm, generous, and loving spirit. The angels were certainly smiling when you were born. You bring so much joy, as a positive role model for the little children, when you work in Bible school. Also for the senior adults who pat their feet and clap their hands, when you play the drums at church. Thank you for using your talent as a witness for Jesus.

What a blessing from God you are! We are so grateful that we are blessed with you in our lives.

We Love You So Much,

You are the joy and love of our lives. We are thankful to God each and everyday for blessing us with you. We want you to know that we are all very proud of you. Project

Project Graduation was a blast for everyone! On the bus ride to Dothan, Lee Richards and Paul Jasso decided to strip their shirts for everyone-especially Mrs. Solger! All the guys who took their shirts off had to run around the bus five times to get them back, because they were myseriously stolen by Krista Marschka and Nichole Owens. That was a great way to start off a night of fun.

We ate at Longhorn Steak House, where some girls acted like nuns(Tenora, Donshe', Katie, and Vicki), and some people even started food fights. Next, we went to the Playground for skating, laser tag, and arcades. This is where Brittany Kolmetz got a huge knot on her forehead from when Napolean elbowed her. Some people turned the skating rink into a dance floor.

The last stop was the bowling alley for galaxy bowling. By this time, several people were starting to fall asleep on tables and in chairs. We took a break for Krispy Kreme doughnuts and then hit the lanes again.

About 6:00 a.m. we loaded the bus and headed back to Vernon. Most everyone slept on the way home, while a few cried. After our last ride through the big city of Vernon together, we arrived at the school to pick up our prizes we won throughout the night. Every senior got a $78 gift card from Wal-Mart. The Senior parents did a wonderful job organizing Project Graduation for us. We had a lot of fun and will always remember that special night.

Senior Trip 2003

April 24 - April 26

Thirty-one Seniors and seven chaperones loaded a charted bus at 2:00 a.m., on April 24, 2003 heading to Orlando, Fl for their Senior Trip. The first part of the two-day journey was Wet 'n Wild Waterpark. We arrived there about 10:00 and stayed until around 3:00. The waterpark was a great way to start off what would become a great Senior Trip. That night, we hit Downtown Disney. Everyone ate at different restaurants including, Planet Hollywood, The Rain Forest Cafe, and even McDonalds. When we got back to th hotel it was time for our curfew, so everyone went to their own rooms to settle in for a good night's rest. The next morning we headed South towards Cocoa Beach. There we visited Ron Jon's Surf Shop. After a few hours at the beach, we were ready to go to the hotel and wash the sand off. Instead of taking showers to wash the sand off, we hit the pool and jacuzzi. When the rain started to come down, everyone went to their rooms and began getting ready. Soon after, the pizza arrived. About 8:00 Friday night, the group was looking good and ready to head to Grad Nite for a night of nothing but fun, and rain. Yes, it rained on us the entire time we were at the Magic Kingdom. Some of us managed to stay fairly dry, while others were soaked. About 2:30 a.m., we began to head towards th bus. The bad part about it was that we didn't leave the parking lot until about 4:30 a.m. A member of our group had got lost in the parking lot, plus, we were waiting on four girls who were still inside the park. Once everyone was on the bus, we said good-bye to Mickey and headed back to the hotel. About two hours later, we were on the road leading us back to Vernon.

Below: Before heading into Wet 'n Wild, we had to stop for what would be the first of many group photos.

Shelly Lynn Lancin

Class of 2003

Shelly Lynn Lancin always had a smile on her face and a laugh that was contagious. In August of 1990, Shelly joined the Class of 2003 at Vernon Elementary School for the first day of kindergarten. Since that day, she was a part of us and we were a part of her. Through the years Shelly grew into a beautiful and smart young woman.

On May 21, 2003 Shelly left this world to go to a better place. Although our hearts were saddened and we were grieving, we knew Shelly was finally at home.

The Class of 2003 will always miss you Shelly, and we will always keep you in our hearts. **Keep smiling your beautiful smile.**
